

Swirl HEX

Oral Care Mouth Rinse

Ready to use

Swirl HEX is particularly helpful in maintaining a healthy mouth

Swirl HEX is an effective oral mouth rinse for use:

- At home
- In between dental visits as part of a dental program.
- As a pre-procedural mouth rinse as recommended by the Australian Dental Association

"Managing Covid-19 Guidelines"

The guidelines recommend that prior to commencing treatment all patients should be asked to undertake a 20-30 second pre-procedural mouthrinse.

- Chlorhexidine Digluconate 0.2% w/v
- Contains 500ppm Fluoride
- Strong action against plaque
- Alcohol free
- Ready to use solution
- Pleasant natural mint flavour
- 2 year shelf life
