BRILLIANTLY BRIGHT AND WHITE

365 White

WHITENING PROGRAM

Brilliantly **Bright** and **White**

Your smile says more about you than any other physical feature. A beautiful, white smile is one of the fastest ways to make a great impression. And thankfully, whitening your teeth can be affordable and non-invasive. The White 365 program was designed to ensure that the investment you've made into your smile lasts forever. Maintain your regularly scheduled hygiene appointments with us, and we'll provide you with a complimentary touch up whitening treatment.

How do I join?

Your dental health is our first priority.
Our knowledgeable staff will recommend a whitening treatment that will suit you best.
This treatment will either be completed in the office or as a take-home system which would include the fabrication of a custom whitening tray.
After purchasing your initial whitening treatment, complimentary touch-up whitening will be provided to you after each check-up.

Keeping your teeth bright and white 365 days a year is easy! Simply maintain your regularly scheduled check-ups to continue eligibility in the program.

What if I miss an appointment?

In order to maintain your eligibility in the White 365 program, you must keep up with your regularly scheduled appointments or your membership may be cancelled. Please be sure to ask office personnel if you have any questions on the terms and conditions of membership.
